

## TECHNICAL DATA SHEET

**Systemit Core Connect 60** universal, UV stabilized adhesive tape (black), 0.06 x 25m

<b>Essential properties</b>	<b>Value</b>
Description	Single-sided reinforced adhesive tape Systemit Core Connect 60 is intended for connecting membrane overlaps and sealing damaged areas
Dimensions (width/length)	60 mm/25 m
Thickness	0,33 mm
Tear resistance	50 N/25 mm
Elongation	20 %
Working temperature	From -10°C to +40°C
Temperature stability	From -30°C to +120°C
Moisture resistance	Permanent
Resistance to UV radiation	About 12 months in direct sunlight
Resistance to peeling *	25 N/25 mm
Reaction to fire	Class F
Color	Black
<b>Material:</b>	
The top layer	Special film
Glue layer	Permanent polyacrylate adhesive reinforced with PET filaments
Separating layer	Silicone coated paper

*\* The test was performed using a standard method. The adhesion of the adhesive tape is very high and the readings may vary depending on the surface on which it is glued.*
